**Item No. 9 – Other Events**

**Execution of Share Purchase Agreement for the Acquisition of  
Additional Shares in PetroWind Energy Inc.**

On December 18, 2025, PetroEnergy Resources Corporation (“PERC” or the “Company”) entered into a Share Purchase Agreement (“SPA”) with BCPG Wind Cooperatief U.A. (“BCPG”) for the acquisition of BCPG’s entire forty percent (40%) equity interest in PetroWind Energy Inc. (“PWEI”).

PERC and its 75%-owned subsidiary, PetroGreen Energy Corporation (PGEC), currently hold 20% and 40% direct ownership in PWEI, respectively, giving PERC an effective 50% ownership interest in PWEI.

Upon completion of the transaction, PERC's effective ownership interest in PWEI will increase to 90%, consisting of 60% direct ownership and 30% indirect ownership through PGEC.

The transaction represents the acquisition of the remaining non-controlling interest in PWEI and will not result in a change in control or consolidation status. The acquisition is consistent with PERC's strategy to simplify its ownership structure and increase its direct economic participation in its renewable energy portfolio.

The SPA is subject to customary closing conditions, including the satisfaction of conditions precedent and applicable regulatory approvals. The Company shall make the appropriate disclosures upon completion of the transaction and as further developments arise.

## **SIGNATURES**

Pursuant to the requirements of the Securities Regulation Code, the issuer has duly caused this report to be signed on behalf by the undersigned hereunto duly authorized.
